Increase production with the 8” Model 800 Series Edgers. Available in 32” up to 60” widths, each is a combination of both an edger and a gang saw. Model 800 units lets you edge boards and gang saw cant simultaneously with a single machine. Model 800 Series Edgers feature two independent bays, each with its own feed and press rolls and its own separate feed rate.

Two machines in one.

Versatile, the Model 800 Series Edgers lets you edge and gang saw at the same time.
